Dear Parents,

This Sunday we celebrate one of the most important days of the year – Mothers’ Day. The commitment mothers give their families is seen every day here at St. Simon’s. This type of commitment and love is seen every day. Mothers’ Day gives all children the opportunity to say “Thank you Mum”. The following reflection gives us an insight into the qualities of “Motherhood.” We wish all mothers a relaxing and enjoyable Mothers’ Day on Sunday.

**A Mother’s Day Prayer**

Thank you, dear Lord, for our mothers:  
Who were brave enough to give birth,  
Who loved through many growing-up years,  
Who taught about God and love and being good,  
Who often got no thanks,  
Whose ears could hear the slightest cry,  
Whose eyes didn’t miss much either,  
Whose hands held and bathed and picked up,  
Whose heart was often broken,  
Who always forgave and forgot,  
Who encouraged when things went badly,  
Who always had time to listen,  
Who worked so hard to make things go,  
Who make the world so much better,  
Who deserve our love on Mother’s Day and every day even for eternity.  
Amen.

Rev. Michael Morgan

Next week children in Years 3 & 5 will be involved in the NAPLAN Testing. I would like to point out to parents that NAPLAN is a “snapshot” piece of assessment and does not cover all areas of the school curriculum. The results of NAPLAN are used by the school to identify areas of the curriculum that we need to focus on and areas of the curriculum that show our strengths.

This week’s reflection is a letter that a teacher sent to her students regarding the NAPLAN testing.

“My Dearest Students,

Next week you will sit the NAPLAN test. I know how hard you have worked, but there is something very important you must know: The NAPLAN test does not assess all of what makes each of you special and unique. The people who create these tests and score them do not know each of you the way I do, and certainly not the way your families do.

They do not know that some of you speak two languages; or that you love to sing or draw. They have not seen your natural talent for dancing. They do not know that your friends count on you to be there for them, that your laughter can brighten the darkest day, or that your face lights up when you feel shy. They do not know that you participate in sports, wonder about the future, or sometimes you help your little brother or sister after school. They do not know that you are kind, trustworthy, and thoughtful. . . . . . . and every day you try to be your very best.

The scores you will get from this test will tell you something, but they will not tell you everything. There are many ways of being smart. You are smart! You are enough! You are the light that brightens my day! So while you are preparing for the test and in the midst of it all, remember that there is no way to ‘test’ all of the amazing and awesome things that make you, YOU!

Remember you are made in the image of God, and that is truly wonderful.

Love

Your Teachers”

**Mother’s Day Stall** - A special thank you to all the volunteers who worked on the Mother’s Day Stall. The variety of gifts on offer catered beautifully for the range of children’s tastes. The amount of consideration and thought that went into every present bought reflected the importance children place on Mother’s Day. Thank you also to the Parents’ Association on co-ordinating a most enjoyable Pizza Day last Thursday.

**School Gate** - The school gate on Wellington Rd (next to the Parish Meeting Room) will be open from 8.20am – 8.40am and from 3.15pm to 3.30pm. Parents can collect children from this area between these times as this area will be supervised.

**JOKE OF THE WEEK**

A woman walked into the kitchen to find her husband stalking around with a flyswatter.

“What are you doing?” she asked.

“Hunting flies”, he responded.

“Oh! Killing any?” she asked.

“Yep, three males, two females”, he replied.

Intrigued, she asked, “How can you tell them apart?”

He responded: “Three were on a beer can, two were on the phone”. 
Wishing the following staff and students a very happy birthday.

Dear Parents,

As we prepare for our school review next year, we are required by Catholic Education Melbourne, to undertake the *Enhancing Catholic Schools Identity (ECSI)* survey.

The ECSI survey enables us to measure the impact of our Religion in our community.

At the moment, only 16 parents have completed the survey, but we need a minimum of 60 parents, out of our 440 families, in order to make the data useful.

The survey will take you about 40 mins in total, but it does not need to be completed in one go, you can complete it in smaller sections if you like.

All responses are completely anonymous, the system generates a unique username and password for each participant, so the only person who can get back to your specific answers is you. This is an opportunity for you to speak freely about RE in your children’s school.

**YOU COULD WIN!**

After you have completed the survey, you will be given the option to print a certificate. Submit your printed certificate to the front office (or email it to jdownie@ssrowville.catholic.edu.au) by Friday, May 13, and your name will go into a raffle to win one of the following fantastic prizes:

1. 4 movie tickets (generously donated by Palace Cinemas) and a voucher to spend at the food bar
2. A $50 EFTPOS gift card
3. A $25 EFTPOS gift card

So please, follow the instructions on the following pages and have your say, to help us direct our focus for teaching and learning in Religious Education.

If you have already completed the survey, you can still use your unique username and password to log in and print/email your certificate.

Thank you in anticipation.

Kind regards,

John Downie
Religious Education Leader
Dear survey participant,

Thank you for taking the time to complete this important survey about the Catholic identity of your school. Due to the length of the survey, approx. 45-60 minutes to complete, it may be best completed in two sessions; simply keep a record of your user code and password (see over).

Surveys are available online from **14 March 2016 until close of business on 13 May 2016 only**.

This survey is completely CONFIDENTIAL; individual responses can be seen by the respondent only.

The survey site URL is: [http://www.schoolidentity.net](http://www.schoolidentity.net); type this URL to reach the website.

To enter the website you will need the website’s general password
- Type in: Ghj654 and click ‘Login’. Please note that all codes are case sensitive!

On the webpage that appears
- Click on the ‘To the Surveys’ button in the centre of the screen

On the next webpage to appear:
- **If you are continuing from a previous session**, enter your User code (login) and Password details on this page “continue your previous session”. To then go to the surveys click ‘submit’.
- **Click on the ‘New User’ button** only if you are a new user. New users will be asked for an email address and can also print the User code (login) and Password that will be issued. Click on submit.
The next page to appear will look like this:

- Enter the Entry Code given by your school then click on ‘next’

Our Entry Code is: **f42774**

The following screen will appear for New Users:

To avoid errors please print or email the User code and Password to yourself. If you are unable to do this, please record your individual User code and Password below, before doing anything else.

<table>
<thead>
<tr>
<th>User code</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Password</td>
<td></td>
</tr>
</tbody>
</table>

These codes are needed should you have to return to the surveys to complete them or to look at your **On-The-Fly results**. Please keep these codes to yourself.

- Once you have recorded, printed or emailed the codes, please click ‘next’ to continue

This click will take you to the questionnaires. Please complete all sections.

- The identification and profile questions
- Doyle Questionnaire
- Post Critical Belief Scale
- Melbourne Scale
- Victoria Scale

Answer the questions quickly and intuitively. In your answers, give your honest personal opinion.

When completing the Doyle Questionnaire, the Melbourne Scale and the Victoria Scale you encounter two kinds of questions:

1. **Current practice** in your school. To answer these questions think about how you experience your school now.
2. **My ideal school**. To answer these questions, think about what you would like your Catholic school to be or become in the future.

You school may ask you to print a Certificate of Completion. This option only arises when the whole of the survey is completed even if taking more than one session to do so.
