Dear Parents,

On Sunday 16th October the annual Melbourne Marathon was run and within this annual race was a competitor who represented the qualities of determination, gratitude for life, mindfulness, faith and a positive attitude. The competitor was Greg White who is Principal at St. Mary's Primary School, Dandenong. Greg’s story dates back to 2011 when Greg suffered a heart attack after completing the Melbourne Half Marathon. Greg collapsed in the MCG car park and was revived by a couple of doctors who happened to be walking by at the time. Greg was rushed to St. Vincent’s Hospital and received a quadruple bypass operation.

Following the operation Greg was determined to return to running with a secret ambition to one day complete a full marathon. After months of training, Greg completed the marathon in 5 hours and 12 minutes. For those who are aware a marathon is 42 kilometers. This effort is an example of how a positive attitude to life, a faith in oneself and a dream to accomplish a goal can come true.

Three weeks ago we celebrated the Western Bulldogs great victory but sometimes we overlook the great victories of those who are not celebrities or famous.

Dear Lord,

Give us the courage to succeed.
Give us the wisdom to know how to succeed.
Give us the love of living to appreciate what we have achieved.
We ask this through our Lord Jesus Christ.

Amen

This day at St. Simon’s is known as Tim’s Day and was introduced at St. Simon’s when Tim Viergever, a grade 2 student died of leukemia on 23rd January 2003. It was decided by Mrs Judith Frood (previous principal) to dedicate a day to remember past pupils and teachers and so we remember Tim Viergever, Danielle and Chantel Meredith and our former teachers Beng Koo and Kevin Bryden on this day each year. Dear Parents,

The annual water safety and swimming program will operate from **Monday 14th November – Friday 25th November**. We will be attending the Dandenong Oasis Swimming Centre, where qualified swimming instructors will take responsibility for students grouped according to their ability levels based on last years level and further improvement due to outside involvement in swimming lessons. The children will be involved in many enjoyable activities and games that will emphasise and reinforce water safety as well as further develop their swimming skills.

I would encourage children to participate in bathers, rather than board shorts and t-shirts as the weight of the wet clothing can be a hindrance and prevent children swimming to their full ability. The wearing of swimming caps is also an excellent idea as it keeps their hair out of their eyes.

Parents are most welcome to view their child’s lesson but must enter the centre with the children through the group entry door. Parents who arrive at other times and enter through the main reception area will be charged the normal spectator fee. **No photos are to be taken.** If your child has experienced any previous aquatic trauma please let me know. The swimming program is part of St Simon’s Physical Education Program and as such is compulsory. If your child cannot take part due to medical reasons please state in writing marked ‘**Attention – Mr. Nick Frederiksen.**’

Parents who have any queries during the program are asked to contact me rather than classroom teachers or Swimming School Staff. This will ensure that your query is addressed promptly. I can be contacted via email at nfredriksen@ssrowville.catholic.edu.au or in room D9 after school between Wednesday and Friday.

Past experience has shown that participation in the program provides the children with the opportunity to foster greater responsibility of their own belongings and for younger children to develop independence with regard to dressing themselves following their lessons. **Permission slips are to be returned by Friday 28th October.**

Many Thanks

Nick Frederiksen
