5th of October, 2015

Dear Parents,

This short note forms an addition to our existing Privacy Policy that currently resides on our web site.

This addition relates to the implementation of Google Apps for Education or what is often referred to by many as (GAFE). The Catholic Education of Victoria has created a, 'CEV Instance'. Within this structure, the Catholic Education of Victoria is moving to facilitate a more flexible, digital platform for teachers and students. Many schools are already functioning within this protocol.

We are looking to move to this environment within the coming weeks.

We would appreciate if you could read this additional, 'add-on', to our existing privacy policy regarding Google Apps for Education. Please sign off on the reply slip provided below, granting permission for your child's participation in our GAFE environment.

Once again, our comprehensive Privacy Policy is located on our web site under the headings 'Parents', then 'Forms and Notices'.

Yours sincerely

Phil Hesse  
*Principal*
